

WOMEN'S TRAIL FLEECE

Our new Trail Fleece series is designed to deliver exceptional comfort, warmth, and everyday versatility. Combining clean Scandinavian aesthetics with functional performance, it's ideal for both casual wear and dependable workwear.

Crafted from premium 290 gsm finely knitted performance fleece, the fabric provides excellent insulation while remaining lightweight and breathable. Moisture-wicking properties help keep you dry and comfortable throughout the day, making it perfect for layering in colder conditions.

Made from 100% certified recycled polyester, the fleece is soft, quick-drying, and built for long-lasting comfort and durability. Your premium choice – whether it's a fleece jacket or a bodywarmer

STYLE 9131

A stylish and functional fleece jacket designed for everyday comfort. It features a modern chest pocket and two spacious front pockets, all equipped with durable SBS zippers for smooth and reliable use. Tone-on-tone elastic cuffs provide a clean, streamlined look and a comfortable fit.
